THE HAVEN OCTOBERFEST

Please sponsor the event to help care for older adults in our community.

Join us for this fun community event to support The Haven Assisted Living!

The Haven OctoberFest is a family-friendly event that brings community members together to celebrate all things fall. The event will feature a silent auction, live music, a food truck, beer garden, corn hole and other outdoor games, pumpkin decorating, homemade goodies and more! Help provide a caring home in Hayden for adults 55 and older who no longer can, or want to live alone.

**Contact Kyleigh Lawler at 970-871-7609 or
